Sir,

I beg to submit this petition for the kind consideration of the Government and favourable orders.

I am a Registered Medical Practitioner having taken the I.I.M. Diploma (Ayurveda) in 1936. I was born on 11-7-1910 and am therefore over 27 years of age. In this town of mine the Municipality has three dispensaries in Indian medicine and I am desirous of entering Municipal service. But as I am over 27 years of age I have to get exemption from age qualification before I apply for any appointment. As I understand that there is no one who has claims to these appointments in the Municipality, the Municipality may have to consider the question of taking in probationers. I have acted before as medical officer, L.F.Ayurvedic

Dispensary, Mudanka, under South Arcot District Board and have discharged my duties to the satisfaction of all concerned.

I therefore beg to request that I may be exempted from the age limit to enable me to apply for service under the Local Bodies.

I beg to remain,

Sir,

Your most obedient servant,

C. R. Menon

Regd.Medical Practitioner.

note It is usual to grant exemption from age-limit prescribed for appt as municipal medical officer only when the person concerned has been selected for appointment & the Commissioner of the municipality

applies for the grant of exemption it certifies that no suitable person within the age-limit is available for appointment. As pointed out by the O.I.M.S. there is no need to grant general exemption
